Gene Brantley has accepted the chairmanship of the Genealogical Committee and will be activating this committee shortly to encourage and aid anyone interested in tracing family lines. This committee will be a big plus for our society and Gene will tell us more about it at our next meeting.

Our next meeting is planned for Monday night, February 6th, at 7:30 p.m. at the Washington County E.M.C. Building. The Program Committee has obtained a special program about our former U. S. Representative, Carl Vinson, to be given by Dr. Malcom Moore--Carl Vinson Professor in Public Administration at Georgia College. Dr. Moore will lecture and show an excellent documentary film showing the impact of Carl Vinson on American and World History. Those that have seen the film call it a "masterpiece". We encourage you to come and bring any guest that would find a program on Carl Vinson's life interesting.

We look forward to seeing you Monday night, February 6th.

Sincerely,

Cecil M. Hodges, Jr. President
